

Panga Inc. and Panga FieldOps Ltd. Partnership Legal Framework

1. Memorandum of Understanding (MoU)

Between:

Panga Inc., a private company registered under the laws of Tanzania, hereinafter referred to as "Panga".

And

Panga FieldOps Ltd, a private company registered under the laws of Tanzania, hereinafter referred to as "FieldOps".

Purpose:

This MoU outlines the mutual understanding and working relationship between Panga and FieldOps concerning the sourcing, verification, and submission of rental property data in Tanzania.

Key Terms: 1. FieldOps shall be responsible for the recruitment, training, deployment, and management of a network of field agents. 2. FieldOps agents will collect property data according to templates and standards defined by Panga. 3. FieldOps grants Panga exclusive, perpetual, and royalty-free use of all data collected through the partnership. 4. Panga reserves the right to approve, reject, or modify submitted data before it is published on the platform. 5. FieldOps will be compensated per verified and approved listing, with additional incentives based on rental conversions. 6. Both parties agree to uphold confidentiality, data protection, and fair labor practices.

Duration: Initial 3-year term with automatic one-year renewal unless terminated in writing by either party with a 90-day notice.

2. Shareholders Agreement (for FieldOps Ltd)

Share Distribution:

- Panga Inc.: 60%
- Partner Dalali (Name TBD): 40%

Governance Structure:

- Board of 3 members (2 from Panga Inc., 1 from Dalali side) - Major decisions (over TZS 5M) require unanimous board approval
- Dividend distribution annually, pro-rata based on shareholding

Exit Clause: - Either party wishing to sell their shares must first offer them to the other party (Right of First Refusal) - Panga Inc. has final say on platform-integrated strategic direction

3. Non-Disclosure and Non-Compete Agreement (For Agents and Partner)

This Agreement is entered into between:

FieldOps Ltd ("Company")

And

Agent or Partner ("Recipient")

Scope: 1. Recipient agrees not to disclose any proprietary or sensitive information belonging to Panga Inc. or FieldOps Ltd. 2. Recipient agrees not to build, advise on, or launch any competing real estate platform for 2 years after their involvement ends. 3. Breach of this agreement will lead to immediate legal action and financial penalties.

Duration: The NDA will remain in effect for five years from the signing date.

4. Field Agent Contract Template (Summary)

Position: Field Data Collection Agent

Contract Type: Freelance / Commission-based

Reporting to: Field Supervisor (FieldOps Ltd)

Key Responsibilities: - Identify and verify available rental properties in assigned zones - Collect accurate data including rental rates, amenities, geotags, and high-quality photos - Upload listings via FieldOps mobile app - Educate landlords about the Panga platform

Compensation: - TZS 2,000 per verified listing uploaded and approved - TZS 5,000 bonus per successful rental match - Monthly performance-based incentive tiers

Code of Conduct: - No data manipulation or falsification - Maintain professional behavior when engaging landlords - Submit truthful, recent, and geo-tagged data

Termination: - Violations of contract, misconduct, or inactivity beyond 3 weeks will result in termination.
